

Your connection to Canada's top DIGITAL & MOBILE properties

Through our partnership with Corus, we represent some of Canada's top English and French-language television networks, and their corresponding websites. Our websites connect Canadian viewers to their favorite brands and content whenever they want, wherever they want. Our websites feature full-length episodes, in-depth behind-the-scenes content, blogs, recipes, photo galleries, and more. Our advertisers can take advantage of a myriad of integrative advertising opportunities, including sponsorships, contests, microsites, content integration, and brandsell.
